Hi Laura, I'm sorry I missed your call. I was sampling on the willamette all week (passive sampling with Danny on M&B) and just downloading my email now—first I've heard of a meeting with USACE as well it turns out... If USACE lets us both know about these meetings I think we can make sure the right folks attend, no?

Reading through things, there's also a 9/8 meeting it looks like (only found out via Chris on an email from yesterday).

I hope you're both doing well & thank you.

Hi Chris. That's terrible news. This meeting was so important to the Yakama Nation. I was unaware that this meeting was even scheduled to occur. Had you invited Rose or let her know about this meeting? I know she was working really hard to get this meeting to occur and she should have been invited. Paul Ward is no longer with Yakama Nation so that is why he did not respond or attend. Please keep Rose and me in the loop on things like this in the future, so that we can help coordinate on meetings like this.

Hi Laura,  
We just conducted a managers meeting for Bradford Island and no one from YN participated. Paul Ward was the invitee. Do you know what his phone number is so we can call him? Do you know if he is till the POC for YN for the managers meetings? Any information would be appreciated.  
Thanks,  
Chris
